

Emil Christopher Damgaard

Age 1

At a Danish Brotherhood annual picnic, about 1920. Emil is 4th from left, with white hat. First on left is Harry, about 17. Pastor Rohmer, of the Danish Lutheran Church, is at right rear, bareheaded. I was 5, and, riding to the picnic in a truck bed, Emil made me sing "Margie" for the amusement of all.

Note what appears to be  
celluloid, "collar button"  
type collar.

1921 Left Profile

A Great Northern Railway engine wreck  
from which the engineer and fireman  
jumped. Emil is thought to be fireman.

At sea, aboard the  
Leviathan. Nature of  
control mechanism is  
unknown.

Emil, later in his career

At an ancient temple ruin in Greece. Helen Churchill has the same photo, but in a sitting pose, never seen (by me) in the Dangaard file.
