Nixon and Kennedy.

Bennedy said he would take

the school vacasen. Nixon knows

more about forin paulsie. I would

say Nixon is better. The

Vice President candidate for

the republican party is

Henry. I think that Nixon

would make a very good president.

Kennedy wants four days

extra of school. He wants

longer vacations. I demand

Nixon is elected office or

president. Nixon knows how

to be president. Nixon has

done a great deal for arms-

a and yet Kennedy has hardly

done any thing. Nixon was

a vice president for 15 hours.

Loge was in the

United States. So I would

say that Nixon ~~and~~ Loge know

about foreign policies. I

think Ike should decide.
